

Thank you for your interest in The Capri at Siesta for your wedding and congratulations! Let me see if I can answer some questions for you...

We have 10 rooms in total at The Capri. You must book the entire hotel for the wedding so that you can use our courtyard for your reception etc. If you need additional rooms, we also have a sister property on the next street over (The Twin Palms, 1115 Point of Rocks Road) that has 8 rooms. Those are not required to be rented like the 10 rooms here at The Capri.

We can also suggest some hotels just next to us. If you choose to have your reception here on site, we do have a 2 night minimum stay requirement for weddings.

If you go on our Facebook page - [facebook.com/caprisiesta](https://www.facebook.com/caprisiesta) You can see photos of previous weddings that we have had here on our site. The couples usually get married on our beach as we have private beach access (no permit is required and no cost to do this. Of course, you do need a marriage license.)

If you choose to have your reception etc. here on our property, there is a \$2000 event fee which is due upon blocking all our rooms for the event. It is refundable until 60 days prior for the event. Everything is outside, we do not have a hall or anything like that, but it is gorgeous! In case of bad weather, I would suggest having a tent on standby (which can be done by local rental companies).

We make it as easy as possible for our couples...We block the rooms for you, and a one night room and tax deposit is required at the time of your guest's booking. Your (the bride & groom) room deposit will be due upon reserving the event. Your guests can start calling right away to choose which room they would prefer and customize their stay. Some may want to stay longer than you reserve and some may want less, so they can decide. This is based on availability. This is designed so that the Wedding Couple does not have to put a big deposit down, everyone can do their own. Hint...I always suggest room 107 for the Wedding Couple. It is our deluxe suite and has 500 sq ft. for you to spread out all your wedding things. I also had a swivel mirror put in the bedroom so you can see yourselves as you are preparing for your special day!

Please check out of different rooms and prices in the ROOMS page of the website.

We have good suggestions for flowers, catering, planners, officiant, etc. on the WEDDINGS page of the website.

If you choose to go with a wedding planner, I am sure they will have suggestions for you as well.

I hope this helps a little. You can also check us out on Tripadvisor.com and read all the recent reviews from recent brides and families.

Hope to hear from you soon! Elena Jones, Owner.
